

**ROUND 2 QUICK QUOTES**  
**May 22, 2026**

**TOMMY GAINEY ( -12)**

---

**Q. Tommy, you're headed into the final round 12 under. Take us through today in comparison to yesterday. I know you were a little hard on yourself on that last hole.**

**TOMMY GAINEY:** Well, you know, the last hole still was a problem today. I tried to make another bogey today, but was able to save par. I just got to figure out how to play the hole. I hit a great drive up there, I hit 232 and I got downwind. I'm just trying to carry the front edge and I just scrape it over to the right. I mean, just an awful shot, so I've got to get better at that.

But I'm hitting my driver really well. As I said yesterday, the only difference between today and yesterday was hit a couple bad shots with the irons. Yesterday was a lot more flush. Today I hit a couple bad shots with the irons, but in saying that, the putter was just as good or better and the driver was just as good or better. So if I just keep hitting fairways, greens, make a few putts, I've got a chance.

**Q. Tommy, how will the win you had at Furyk's come into play tomorrow? What can you take away from that going into tomorrow?**

**TOMMY GAINEY:** You know, it's never easy to win on any Tour, but I've already won out here before so I know I can win again. It's just I put myself in this position this week, because I haven't put myself in position to win here lately but this week I've got a chance. I think I'm leading by 1 or tied, so I've got a chance. All I have to do is keep doing what I've done these first two days -- fairways, greens, make some putts -- and then hopefully it works out.

**Q. Have you seen the trophy they give you here?**

**TOMMY GAINEY:** I have not seen the trophy that they give, but I sure would like to receive it tomorrow.
