

ROUND 2 QUICK QUOTES
May 22, 2026

SCOTT HEND (-11)

Q. Scott, great playing out there today, 4 under for the day, 11 under overall heading into the final round. What was today like for you? Take us through your round.

SCOTT HEND: Well, I think it's an exceptionally good round considering I started with a triple bogey on the first and saw every single tree on the left-hand side. Just hang in there and grind it out was really good. Made a really poor bogey on the eighth hole, the par 5. Very scrappy golf today, but if I can play really scrappy and shoot 4 under, then look out tomorrow.

Q. And when you're having that little bit of a rougher start, how do you kind of stay focused mentally? Do you rely on your caddie? How do you take it through?

SCOTT HEND: I can't really say what I think, but it's just golf. Sometimes it's up, sometimes it's down. You've just got to hang in there and just go through your process and hope you come out the other side in a good way.

Q. Scott, the way you fought back after that triple on 1, what's that say about you?

SCOTT HEND: I'm good.

Q. I mean, mentally, that's not easy to do.

SCOTT HEND: I know. I'm very good.
