

ROUND 2 QUICK QUOTES
July 10, 2026

RYAN ARMOUR

Q. Can we ask you about that finish and how you birdied both holes?

RYAN ARMOUR: Sure. Three-putted 5 from about six feet, which really ticked me off, and then hit a really good shot into 8. It was probably about 18 feet short of the hole, 7-iron in there, left edge putt. We had it breaking left to right, straightening late and did exactly that, poured it in finally. Felt like I hadn't made a putt all day until then.

And No. 9 I had a perfect number, it was just a high hold 9-iron that I could hit as hard as I want because I had 10 behind it and I knew it wasn't going long. Crazy number to have to finish. I mean, you love walking up, just tapping in, don't even have to mark it, that's great.

Q. What was the number?

RYAN ARMOUR: 150.

Q. And then to post two 68s is your first two competitive rounds here, that's got to feel --

RYAN ARMOUR: I'll take it. If I keep hitting it the way I'm hitting it, go work on the putter this afternoon before the storms hit and hopefully I can carry this forward.

Q. How many folks are following you around?

RYAN ARMOUR: Quite a bit. At least 15 to 20 that I gave tickets to and then some more come out that I didn't know were coming out. It's a lot of family. My wife comes from a big family and then my dad came today, which I didn't know he was coming, and he kind of stayed on the low holes. He was on 3, he was on 8 and then walked down 9 and sat on 9. He didn't go up top up the hills. It was good to see that he made it out because he loves this.

Q. In some ways it's got to be more exciting for your family than even for you?

RYAN ARMOUR: Absolutely. I mean, I wouldn't say that, I'm pretty excited to be here, I can't really go that far. It's great to be here. Like I got spoiled last week being in Columbus being an Ohio State grad. To have back-to-back weeks where, like I said last night, my heart's full. I'm happy to be here.

Q. Ryan, you said at Scioto that you're the kind of guy who has to practice.

RYAN ARMOUR: Yeah.

Q. So you got four rounds under your belt at Scioto.

RYAN ARMOUR: Got more reps.

Q. Does that help?

RYAN ARMOUR: Yeah, absolutely. You start seeing shapes again. Like OK, my body's moving good, I can shape it this way, I can shape it this way. I'm not a guy who hits it high and straight, I like to curve it. For me, like getting more into it, more reps, as long as I can keep the inflammation out of my body through all the reps, I'm great, I'm good to go.

Q. How old's your dad?

RYAN ARMOUR: Eighty-one.
