

ROUND 2 QUICK QUOTES
July 10, 2026

CAMERON PERCY (-7)

Q. Cam, great day out there. You obviously fought against the rain, came back and now you're a solo leader. Take us through your round.

CAMERON PERCY: Started off really nicely and didn't really -- couldn't get it in the hole. Then I was just chipping away, chipping away, chipping away. Then made a good birdie on 2 and really good birdie on 3, and I think I parred in from there. I didn't hit really that close from there in. It's hard. With the wind and the wet fairways and all that, it's hard, so I'm happy with that.

Q. How did you come back mentally after the break?

CAMERON PERCY: It's freezing in the locker room, so I put towels and wrapped myself up and kept moving, and I went to the gym and just kept making swings in the gym basically for about an hour. By the time I won't back out, my back didn't hurt or anything like that, I didn't freeze up, so it was good.

Q. Cam, what's your record around here?

CAMERON PERCY: I think I've done all right. I think maybe the first year I was here I came seventh. Last year I can't remember, but I drive the ball well here, which you have to. For some reason it just suits my eye, all the holes. Definitely the first year I think I might have come seventh and then I can't remember what I did last year, but decent. So I've done all right here.

Q. You kind of like the track?

CAMERON PERCY: I do. I mean, you can't fake it around here, you've got to hit it solid. The par 3s are hard, everything's hard. Like you've got to hit it really good, you can't just slap it everywhere and shoot a 68. Like I played really good today and I only shot 68, that's how hard this place is.

Q. Is it more pressure or less pressure for you to be in the clubhouse leader at this point?

CAMERON PERCY: Well, we worked out most of the time if you get to 12 under, you'll win. So I didn't care about my score, I'm just trying to get to 12 under. That's 3 under a day and I'm one shot ahead of that. Really, you know, I'm still 5 behind what I'm trying to do. I need 5 more under from here on in and if someone beats me, well, that's just too good.

Q. You've seen a lot of Jerry already, you've seen a lot of the guys in front of you. How good is it to play with those guys?

CAMERON PERCY: It's awesome, it's awesome. Everything here is great. I played with a lot of these guys on Tour and then they're all gone and now I've come back reunited with them. They're way more friendlier and stuff because we're at the end. So it runs very, very competitive, but very friendly as well if that makes sense.
