

ROUND 3 QUICK QUOTES

July 11, 2026

LUCAS GLOVER (-15)

Q. Lucas, 2-under 68, if we can get some comments on your round.

LUCAS GLOVER: Yeah. Kind of a slow start, 1 over through six. Just didn't make anything today. I didn't feel like I hit that many bad putts, I just didn't make anything. So work on it a little bit after, see something go in, get the confidence back.

I played really well, I just didn't make anything. You know, I hit a good putt on 6 for par, misread it. Hit a good putt on 9 for par and it kind of bounced out.

Yeah, happy with the way I'm playing, just need to see some go in tonight and be ready for tomorrow.

Q. Take us through the eagle on 7.

LUCAS GLOVER: Yeah, nice drive. That's kind of a hard tee shot for me as a drawer with the fairway running left to right and the creek on the right, but hit a nice one there. I think we had 240 front, maybe 62-ish total, I think. Hit 7-wood, which I play as a 5-wood. It was a really good number to just cover the bunker and if it rolled back there, great. If not, fine. It just hit perfect and released six, seven feet. Read that one right, ball out left and straight uphill, knock it in.

Q. Golf course keeps taking rain overnight. What were the conditions like out there today?

LUCAS GLOVER: Yeah, it was soft. The greens were marked up pretty good, a lot of footprints, but for what we've had, remarkable.

Fairways, I mean, honestly, we maybe could have played it down. I understand why we didn't with the threat of some storms in afternoon, but this place drains unbelievable. The greens have taken a beating just because of how soft they have to be. Yeah, golf course is holding up nice.

Q. You've still got the lead, you've had it a lot the last couple of weeks. Are you comfortable in that position, make you feel better entering the day the next day?

LUCAS GLOVER: Yeah, it means you're doing something right so you've got something to lean on there. Just whatever you're doing right, keep doing it. It's kind of the same story last week, I had the lead the last, or Saturday. Cold putter and that carried over into Sunday. So I'm going to, like I said, try to see some go in and right the ship overnight. Just don't want to

go home with a bad taste in my both basically.

Q. You've been quite busy lately with a lot of other responsibilities obviously with the PAC and everything. How do you compartmentalize things to let yourself go out and play like you have the last few weeks?

LUCAS GLOVER: Yeah. Honestly, I have time. I can't practice and beat balls as much as I used to. I'd like to, I just can't. I have to reserve. I'm 46 and almost 47. I've done a better job of resting when in the past I probably would have been hitting balls, chipped and putted more.

So I have time. That's a roundabout way of saying it honestly gives me something else to focus on and something to do. You guys travel, too. It's lonely out here sometimes. I've enjoyed the responsibilities off the golf course and something to fill the time where I'd probably be watching some, you know, airport movie on Netflix.

Q. It seems like that really narrows your focus do you feel when you're out on the golf course?

LUCAS GLOVER: Yeah, maybe. I'm more rested, so that can't hurt. Last couple years I've had to really focus on taking it easy during the week. I'd love nothing more after a bad round to go beat balls. It's counter productive at my age unfortunately. I do it, but I'm not stupid about it anymore. I just don't recover like I used to. Having a distraction off the course with the PAC and getting ready to go on the board's been a good thing.

Q. How much time do you spend conditioning your body? Like you said you don't hit balls a lot, but what about maintaining your body?

LUCAS GLOVER: Yeah, a lot. I'm here two hours 30 minutes, two hours 45 minutes before I play no matter the tee time. I work pretty hard with my trainer, Kolby Tullier. So yeah, I want to play as long as I can. I've had to focus on that. And I probably stretch as much as anybody. Spend a lot of time on the floor in my hole rooms unfortunately, but I have to.

Q. What book are you reading at the moment?

LUCAS GLOVER: Jack Carr's newest one, I can't remember the name. I picked it up in the airport on the way here.

Q. How excited are you for tomorrow?

LUCAS GLOVER: I'm very excited. I love to compete. I love to compete. And everybody's fighting for the same thing. I look forward to it. Struggled on the weekend a little bit last week, so kind of want to right that ship this week.
