

ROUND 2 QUICK QUOTES
July 17, 2026

GORDON SARGENT (-11)

Q. Gordon, bogey free through 36 holes, currently co-leading. What does a start like this do for your confidence?

GORDON SARGENT: Yeah, it's nice. I kind of struggled the last couple weeks. Played a nice nine, I guess, in Kentucky the second round, still missed the cut. Kind of played nicely there and took that confidence here. Got here Tuesday, just kind of took it pretty easy. Yeah, just nice to be here and playing some good golf.

Q. You had a slow start to the season. Has there been anything that you've been working on in particular the past few weeks?

GORDON SARGENT: Honestly, not really. I mean, trying to make it as simple as possible honestly. I think it's easy to try and do too much out here. Yeah, just going to play golf. You have so many opportunities this year playing 20-something events, so it's like not putting too much pressure on yourself and just execute the shots you can.

Q. You were in a similar position earlier this season in Puerto Rico. Is there something about island golf that you like?

GORDON SARGENT: I don't know. I guess so. If I can play like this every single week, it would be nice.

Q. Late tee time tomorrow. What's the plan for the rest of the day?

GORDON SARGENT: I'll probably go take a shower, maybe take a little nap or something. I don't know, maybe go to the pool. Kind of just take it easy, get some rest.
