

ROUND 3 QUICK QUOTES
July 18, 2026

BEN JAMES (-16)

Q. Ben, another 5-under 67. Just talk about the round today.

BEN JAMES: Yeah. Started really nice, had a great front nine at 4 under. It started to get pretty windy so I was just kind of hanging on until then. Played the last two holes great. Birdied 17, which is, that's a good birdie today, and a nice up-and-down on 18, so it was a good finish. Overall another nice day with the putter and the driver and just playing with that.

Q. What's the key to navigating this golf course with the wind?

BEN JAMES: Yeah, I think trajectory, knowing where the wind is, the flight, spin. It's a guessing game, a lot of it. If you could hit it low, that will definitely help.

Q. Just your fifth start on Tour this season. What would it mean to you to get a win this early on in your career?

BEN JAMES: It would be great, it would be great. I'm playing some good golf and I'm really excited for tomorrow. We'll try to keep it going. Very excited for hopefully a good day.

Q. Two shots off the lead heading into the final round. What's the game plan for tomorrow?

BEN JAMES: Just do the same thing, hit the fairway, hit the green, give myself a look and hopefully the putter heats up like it has the last three days. You know, just keep having a good attitude and having fun.
