

ROUND 4 QUICK QUOTES
August 9, 2026

BROOKS KOEPKA (-3)

Q. Brooks, if you can just assess the week for us.

BROOKS KOEPKA: Ball-struck it great. It's just all on the greens. I don't know what the deal is, got zero confidence, can't putt. I don't know. There's going to be a lot of changes here soon.

Q. How disappointed are you to not advance to the Playoffs?

BROOKS KOEPKA: Yeah, pretty disappointed. I think it's pretty pathetic that I can't get through. Zero top-10s basically in two years. To be in the prime of your career and be as good as I think I am, I think that's very pathetic, disappointing. Just need to go home and completely reevaluate everything.

Q. I know you're not thinking about it right now, but do you know what the fall may look like for you?

BROOKS KOEPKA: Yeah, I'm going to go play a couple events in Europe and then maybe a couple later ones in the fall.

Q. Brooks, if you could just talk about being back on the PGA TOUR, how it's been.

BROOKS KOEPKA: Yeah, it's been great. Honestly, I've loved it. I feel fantastic. The reception's been great. Overall happiness is 10 out of 10 and just excited.
