

ROUND 1 QUICK QUOTES
August 28, 2026

HENRIK STENSON (-4)

Q. I'm here with Henrik Stenson, and you're a rookie again. How's that feel?

HENRIK STENSON: Yeah, would you believe it? It feels pretty good. I'm not in a cart this week at least, but yeah, it's good fun. I played some senior majors already this year and had a chance to catch up with the guys. And same this week, there's some guys I haven't seen for a long time. Yeah, it's fun, nice atmosphere and yeah, we'll try to make some birdies, too.

Q. Well, welcome out here. Five birdies, one bogey today, a little slow start, but what turned it around for you?

HENRIK STENSON: I just kept on trying to hit the shots. Yeah, I was not really capitalizing on any of the chances on the front nine and made one bogey, had to save myself on 9. Yeah, I was kind of hanging in there, but like you said, hit some decent shots on the back nine, set up some birdies and yeah, good start.
