

ROUND 3 QUICK QUOTES
August 30, 2026

MICHAEL BLOCK (-11)

Q. Before we get into whatever this all means, what did you learn about yourself today?

MICHAEL BLOCK: That I can get a little better. Steven Alker showed me a couple things I need to do. He did what I do on the first and second day and he does it on the final day. I need to learn how to do that. I played a little bit different golf than I did the first two days because I was nervous, I had never been there before. So, it was a learning experience for me.

Now, saying that, I believe fully that you could see Blockie, Alker, Harrington in many future groups on Sundays or coming in the future because I do believe I do have the game to be able to compete against these guys.

Q. You said yesterday a win, top-10 is life changing.

MICHAEL BLOCK: Yeah. So, I don't know what I did. Honestly, at this point I have no idea what I finished. Did you say tied for third?

Q. Tied for third.

MICHAEL BLOCK: So, I think I'm in next week or in two weeks at Sanford International at Sioux Falls. So that officially means that I'm going to have official money on Charles Schwab Cup. That means I'm going to St. Louis.

I want to pull up my Outlook. My outlook on my calendar at my office, it says "Stifel" and "goal," that's it. I don't know if I'm saying it right, Steefel, Stifel, Steeful, I don't know. Whatever it is, I've had it there for literally six months and I did it.

Q. That's got to be a hell of an accomplishment.

MICHAEL BLOCK: It's golf, man. I tell you what, you come out here and you play golf. As we all know, one of the coolest things about golf is no matter what, if you started playing golf yesterday, if you've been playing for 40 years, it's still golf. It humbles you, it makes you happy, Such a great sport.
