

ROUND 2 QUOTES
September 19, 2026

STEVEN ALKER (-7)

Q. You're kind of on a hot streak. I mean, last three starts, you won. What's clicking for you, and it always does at this time of the year?

STEVEN ALKER: I think it's just everything, Al, to be honest. Everything's just getting much sharper when you're playing a bit more, and now back into the routine of like I know my schedule, I know where I'm going. I think that's the big thing. Everything's just getting a little bit better.

I haven't played for 10 days before this event. I literally put my clubs away. So the mind's fresh, the putting feels good, I'm driving it good. So yeah, it's just all clicking, just getting a little bit better for the Playoffs.

Q. You're not looking ahead to that, are you?

STEVEN ALKER: Well, you know, that time of year. Yeah, double points, that's huge.

Q. Is it advantageous to finish today in this weather when you're going to probably finish tomorrow around this same time?

STEVEN ALKER: Yeah, for sure. The ball's not flying as far, you're just trying to give yourself a chance on the greens, hit it in the right place. It's huge because it just changes so quickly and the ball's not flying. Yeah, it definitely is advantageous. Yeah, this is Pebble Beach, you never know what you're going to get so you've got to be ready for it.

Q. How special is this place?

STEVEN ALKER: Oh, it's super special. I mean, it's iconic, right? Just think of the people who have played here, the greats of the game. Not just greats, but celebrities here. It's a special place. You have a lot to choose from around here, it's not just Pebble, but I think if I had my choice of courses in this area, Pebble's right up there with the best of them.
