RYAN ARMOUR (-8)

Q. I think coming over to Spy is survival.

RYAN ARMOUR: Absolutely.

Q. And you did that, you did it very well today. What was going right for you?

RYAN ARMOUR: I actually drove it poorly for me, which I was missing some fairways and hitting in places I usually have not seen. But iron game was solid, stayed below the hole quite a bit. Then I holed some putts on the back nine, made a solid putt on 10, 14, 15. Then barely missed one on 17. Let one get away from me on 16. But overall, when I can get out of here at 3 under at Spy, I'm happy.

Q. Looks like, depending on what he does this afternoon, scores could be kind of bunched. Do you think maybe shootout tomorrow afternoon?

RYAN ARMOUR: I think there'll probably be eight to 10 guys that have a chance tomorrow, you know, the way Pebble goes. You know how that goes, you've got to get off 1 through 7 and get off to a good start and then hang on a little bit 8, 9, 10, and then try and fire again.

Q. You said something interesting that we were talking about earlier, that it feels like a regular Tour event, morning, afternoon. You've got the whole afternoon now. What are you going to do?

RYAN ARMOUR: Oh, this is great. I'm going to have some lunch, I'm going to practice, watch some hockey that my youngest, Nicholas, is at in New York right now, so I'll stream that, and then I have football later tonight, so it's perfect.
