ROUND 2 QUOTES

BLADES BROWN (-13)

Q. All right, Blades, 10 under today. Maybe take us through the eagles and then five straight birdies to finish.

BLADES BROWN: Yeah, I mean, golf is just such a funny game. I think I was 1 under through eight holes and then (indiscernible). I mean, it's crazy. Two back-to-back eagles, I never had that before. I was informed it was called an American, which I am American so it's very patriotic. Yeah, it was one of those days where just everything was clicking and I'm really excited with the position I'm in.

Q. What were the feelings for you coming into this week being the closest one to getting their Tour card and your expectations for this week?

BLADES BROWN: Yeah, I mean, this golf course is awesome, I enjoy playing it and having my caddie on the bag. Playing with some of my good buddies, I played with Cooper Dossey today and I played with Jeremy Gandon about four times in the past couple weeks so I've gotten to know them and they're just awesome. So I'm really excited and it's going to be fun weekend.

Q. Currently in contention, you've had a really great season, haven't won. Do you feel like you need to win or is it just something you really want to do before the PGA Tour --

BLADES BROWN: Winning is just an odd thing. I'm so obsessed with the improvement of getting better. Brett and I, we were just walking around and coming down, we looked down and all of a sudden we were on the 18th fairway and we were 9 under through however many holes. It can happen so fast (inaudible).

Q. What do you think you've improved the most upon this year?

BLADES BROWN: That's a great question. Everything. I'd say I've got a long way to go. My short game is something I need to dial in a little bit more and you can never get too good at putting.

Q. Blades, you're 19 years old. Does that like resonate with you as you're standing here?

BLADES BROWN: I mean, a little bit. One thing I know is I always tell my dad the golf ball doesn't care how old I am. The golf ball doesn't know if you're 60 years old or 19 years old, so I would say that.

Q. Obviously 60 on Tour earlier this year playing alongside Scottie. What is that feeling like compared to this?

BLADES BROWN: Yeah, I would say it definitely helps just because ever since I've been in that situation, I just feel like the excitement is still there but the nerves have died down just a little bit. So I feel more prepared. I feel like I'm starting to get my feet up under me and it's going to be fun weekend.

Q. I'm assuming this isn't your first time making five birdies in a row. What does that feel like? Is it a blackout feeling?

BLADES BROWN: It's a pretty cool feeling, yeah. It's like in basketball when Steph Curry just can't miss, it's awesome. We've got 36 holes left and it's going to be fun.

Q. Is Steph Curry on the PGA Tour?

BLADES BROWN: I don't know, we'll see. I admire Steph Curry for how hard he works. He gets the small wins every single day. I've heard something where he said he shoots 500 shots every single day. So his work ethic explains why he's the best shooter of all time. So I really admire him and it's going to be a fun weekend.

Q. Who do you have here supporting you?

BLADES BROWN: Yeah, my mom's actually coming in tonight. I think my dad, my dad wouldn't miss a tournament ever, so it's going to be a lot of fun. We're going to go get some pizza tonight and it's going to be awesome.
