

ROUND 3 QUICK QUOTES
10 October 2026

JUSTIN THOMAS (-12)

Q. Justin, 67 to put yourself in a good position going into Sunday. How did you feel about today's round?

JUSTIN THOMAS: It felt good. It was tricky. The wind didn't quite get to where it was kind of supposed to be so that always makes it a little trickier for all of us to always kind of trust and gauge that, especially a place where you have to be so precise like this.

Obviously had a great start there the first -- you know, the front nine. Hit a lot of great putts even that didn't go in I felt like the first 10, 11 holes. But I just stayed patient and really fought hard. I felt like I made some good par saves, some good putts.

Yeah, of course would like to have 17 back, but that was a nice par save there on 18. Feel like I'm in a good spot for tomorrow.

Q. Is there anything you can pinpoint about why you play so well in these Asia events?

JUSTIN THOMAS: I wish I knew because I would love to channel it year round all the time. I'm not sure. Yeah, I have a great track record. I'm going to try to use that to my advantage.

I really enjoy coming to these events. I think it's just something to be said and kind of cool and special when you can play in front of people that we're never really going to get the chance to be in front of and see and play.

I think the golf courses are obviously very, very cool and unique. It feels like a lot more of an experience than just another golf tournament. There could be something to be said for that. I'd like to figure it out because it would be nice to do more often.

Q. The Alabama-Georgia game tomorrow, are you going to be able to watch it in the morning?

JUSTIN THOMAS: I'm not sure, I've got to check. I think it's like 9:00 or something. Hopefully it's fun, hopefully it's not the other way around. Yeah, I guess I'll be able to catch the beginning of it and maybe miss a little bit of the end. Hopefully it all goes well.
