

ROUND 4 QUICK QUOTES
11 October 2026

KEITH MITCHELL (-15)

Q. Keith, got off to a pretty good start today but kind of went flat after that. How would you sum up that day today?

KEITH MITCHELL: The back nine plays a lot harder than the front. You know, probably should have made better than par on 12 with a wedge in my hand, and 13's a gettable hole and I didn't get up and down. Gave myself some good looks on the final three holes and just unfortunately didn't convert them.

Q. I know it's disappointing to not get the win, but what can you take away from this week, the way you played?

KEITH MITCHELL: I felt like every part of my game held up except a couple putts here and there. Probably hit the best two shots in my life, that's stuff to say, but the tee shot on 18 and the 7-iron on 18 were as good as I got. Unfortunately, the putt wasn't as good as I got. So if I can give it the same as the long shots, maybe we're having a different conversation.

Q. What's the plan for the rest of the fall?

KEITH MITCHELL: Play World Wide Technology, it's a great tournament, love those guys, been a great (inaudible) of mine for a long time so looking forward to playing there. Playing at RSM, and try and be a good dad the rest of the time.

Q. You're in that 51 to 60 spot. Do you feel like you can continue to stay there just playing those couple of events?

KEITH MITCHELL: I mean, I think the numbers and the data will tell us that, that question. If I need to play more, I play more.
