ROUND 2 QUICK QUOTES
October 17, 2026

FREDDIE JACOBSON (-6)

Q. Freddie, 2-under 70 today under these tough conditions, you got around the course without a bogey. Tell us about your round.

FREDDIE JACOBSON: Yeah, I think that pretty much tells it. I was in the fairway lots, and managed to control the irons pretty well. I think I hit quite a lot of greens. Didn't make as many putts as I wanted out there, I only had one one-putt on the greens in regulation, but scrambled OK from off the green a couple of times. Yeah, overall really happy with how I gave myself a good chance for a good score today.

Q. With the weather, hence the ski cap. I mean, it wasn't an ideal day compared to yesterday, was it?

FREDDIE JACOBSON: I'm so soft for being Swedish, Al. After all those years in Florida, I'm freezing as soon as it gets below 60. What did I have, four layers on? And yeah, last second got myself a hat, too. Yeah, that helped out today.

Q. What would a win tomorrow mean for you? Can you let yourself go there?

FREDDIE JACOBSON: It would mean a lot. I think I really feel like I played consistent over the last couple of years. I've been in contention quite a lot. I haven't really been carrying a big lead into Sundays or anything like that, but being in the mix, I think for anybody out here to win, it shifts. You get that kind of confidence and feel -- it's sometimes too long between the wins. For some guys, it's not, it can be every other week it seems like. But for a lot of us, I mean, years go by in between wins.

I think once you know that once you get them, you just get that feel and that boost that you feel a little more comfortable the next time when you go down the stretch. I mean, if you haven't won for a while, you're just battling some nerves, and not having been there for a while and to break through and get it done always means a lot. So I would love to get it done.

Q. Would it be even sweeter with your son on the bag?

FREDDIE JACOBSON: Of course, yeah. That's a no-brainer. I mean, he's done really well out there, we've had a lot of really good finishes. Yeah, hopefully we can pull one off soon.
