TAG RIDINGS

Q. Tag, welcome to St. Louis.

TAG RIDINGS: Thank you.

Q. When you found out that you got that third spot in the Sprint, how did that feel?

TAG RIDINGS: Really great. Seemed, you know, that when I came out as an option, I was kind of, hmm, OK, that's cool, let's see if we can start getting on a roll and make that happen. Early on you got Zach and Steve winning tournaments. OK, they look like they're kind of sewing up a couple of spots there, but maybe punch out a win or something to sneak in there too. I didn't punch out the win but some solid play, some close finishes there coming in. So the second place kind of goes, hmm, all right, where am I at? You know, I played with Vaughn Taylor in Pebble and he played great and beat me there in the final day. Like OK, he's looking good, I've got to watch out for him. But it worked out. Stoked to be a part of that, it's really a neat deal.

Q. Those other two guys are no slouches, are they?

TAG RIDINGS: No, they are not. This is going to be a fun week. It's going to be really interesting. I think whoever pulls it off is going to have to have earned it. It's going to be a nice fight to the finish.

Q. It's nice that somebody's doing that, a little extra I'm not going to say motivation but a little extra something for you at the end of the week, isn't it?

TAG RIDINGS: Oh, it's exciting. That's just another element to the week. I think it's fun. We're all in this playoff mode of trying to get our points and move up the list, but this kind of lightens it up a little I think and makes it exciting.
