ROUND 1 QUICK QUOTES
October 23, 2026

VAUGHN TAYLOR (-5)

Q. (in progress) pretty good, five of five.

VAUGHN TAYLOR: Yeah, it was. I didn't hit it very well today at all. Didn't hit many fairways, didn't hit many greens, but putted really well. Just one of those days the ball was going in and got it up and down when I needed to.

Q. A lot of guys coming through have said that if you're above these holes you're in trouble?

VAUGHN TAYLOR: It's very fast, big breaking putts if you're above it, and I was pretty fortunate to be under the hole most of the day. I was above it a few times and you're just kind of lagging it down and hoping you make it but hoping you don't have too much left.

Q. With a win a couple weeks ago and playing well in this start, what's clicking?

VAUGHN TAYLOR: Mostly putting. Just getting comfortable being around the lead and just in general. But I've got some things to work on. I really didn't like the way I hit it last week and today, so mostly putting and short game's keeping me in it right now.

Q. Just thinking about coming into this week knowing where you sit on the points list and the Playoffs, any kind of added pressure on you this week?

VAUGHN TAYLOR: No. I feel fortunate to have won a couple weeks ago and no added pressure whatsoever. Trying to keep my expectations low.

Q. What did you think about the crowds out there, pretty decent for --

VAUGHN TAYLOR: Yeah, they're good. My caddie's from here and he was telling me the crowds get pretty good here on the weekends. It's awesome. The weather's phenomenal. It's a good week to come out and watch.
