BUTTERFIELD BERMUDA CHAMPIONSHIP

TAYLOR MOORE (-14)

Q. Taylor, 5-under 66, bogey free in some unfavorable conditions. If we can get some comments on your round.

TAYLOR MOORE: Yeah, just got off to a pretty good start. Yeah, just trying to get acclimated really. Pretty crazy windy there compared to the last few days. Yeah, I had a few up-and-downs to keep the momentum going and then had a few putts drop on the back nine, which was good to see.

Q. Which putts were really important on the back nine?

TAYLOR MOORE: Par-3 13 was a nice one, kind of up and down. I think putting might have been the most challenging part of the day honestly. Yeah, then the par save right after that on 14, just a couple momentum putts there. And then, yeah, had a few five-footers as well coming in that I was able to knock in.

Q. Yeah, 67th in strokes gained putting yesterday, first now today. Talk to us a little bit about the conditions and how they were just in terms of any shots that stand out that were just totally different from the first two days.

TAYLOR MOORE: Yeah, yeah, a couple shots coming in I'm just trying to hit it like as low as possible so it doesn't curve really. Growing up where I did in Oklahoma, we're kind of used to playing in the wind so I think it was definitely a little bit advantageous in that regard. Yeah, I think I was just trying to flight it around and keep it as low as possible, and when I did miss, try to miss in good spots.

Q. Yeah, a couple decent finishes in Utah and Baycurrent. Do you feel like you're building a little momentum here as we head down the stretch?

TAYLOR MOORE: Yeah, I think early in the fall I was just trying to knock a little rust off honestly, I missed the last four events on the regular season and was injured most of that time we had off. Yeah, knocking some rust off, seeing where my game was at. Feel pretty good about everything coming into this last stretch here.

Q. Obviously beautiful spot here, great scenery. Do you have to remind yourself it's just another workday and not get caught up in the scenic location where you are?

TAYLOR MOORE: Yeah, I think anytime we're inside the ropes it's game on and going to work, but yeah, it is a beautiful place. Definitely have some time on some of the greens looking at the water, pretty gorgeous.

Q. Do you bring your family here or anything?

TAYLOR MOORE: Not this year, no.
