ROUND 2 QUICK QUOTES
October 30, 2026

VIDANTAWORLD
MEXICO OPEN

CHANDLER BLANCHET (-4)

Q. Obviously an incredible finish there (inaudible)?

CHANDLER BLANCHET: Yeah, I was playing pretty well on the back nine, just made one birdie and was just kind of burning some edges, and I had a feeling it was going to be around 4 under today and the only way I was getting there on 17 and 2, or hole 8, was a draw driver and a draw 3-wood. I don't really draw it, so had to kind of work with what I had and ended up hitting 3-wood there to maybe 15, 20 feet and then dripped it in on the front edge. And we had a chance on 8, hit a great 8-iron in there 7 or 8 feet and yeah, finished it off.

Q. Were you looking at the leaderboard throughout the round? I guess at what point did it kind of click that --

CHANDLER BLANCHET: Yeah, not really actually. I didn't look at a leaderboard at all until 17. I actually have been trying to not look at leaderboards at all, I felt like I've looked at them a few times in the past and just ends up being a distraction, I make a bogey or something. So I've been trying to avoid them, but 17 felt like a let's take a look at it now.

Q. Based on a good week last week in Bermuda, I guess a couple more events in the fall, kind of talk about your game, where you're at right now and what you're trying to accomplish.

CHANDLER BLANCHET: Yeah, game's felt really good, I felt like I've been doing a lot of good things. Maybe felt like a little out of sequence like the last few days. Just getting out of that wind from Bermuda was insane, and I didn't play Sunday or Monday so it was kind of like kind of getting back to square, to square one, but today hit it really well on the back nine and found some good stuff.
