VIDANTAWORLD
MEXICO OPEN

ADRIEN DUMONT DE CHASSART (-11)

Q. Adrien, 7 under yesterday, 6 under today. Kind of talk us through the first 36 holes and what's been working.

ADRIEN DUMONT DE CHASSART: Yeah, solid days. Definitely took advantage of the par 5s. I think I'm probably 6 under on the par 5s so that definitely helps. Then try to play steady on the other holes. There's a few holes out there that are not easy, par's a good score especially the last four, five holes on the back nine. But yeah, I got the putter rolling the last two rounds and that definitely helps out here.

Q. It's your second time playing here. The rerouting of the holes, can you talk a little bit about the challenges that Vidanta presents?

ADRIEN DUMONT DE CHASSART: Yeah. You know, at first I was a little confused about the rerouting since it made sense before but I think the way they did it it makes the last five holes a really good stretch. I mean, I quite like it. The two new holes that they added are good holes overall, 17's a pretty cool par 3, you don't normally get to see a heart shaped green like that anywhere else. Yeah, I enjoy the rerouting.

Q. And tons to do on site here at the resort. Have you been able to get out and enjoy VidantaWorld?

ADRIEN DUMONT DE CHASSART: Not yet. I'm going to go to the circus tonight, I got a ticket for that so I'm looking forward to it. Yeah, just practicing and they have a good taco truck by the beach so been going there every night.

Q. Last one, plans for the rest of the afternoon? Are you going to practice or are you going to head back and get some rest?

ADRIEN DUMONT DE CHASSART: I'm going to practice a little bit, hit a few putts and then head back and relax a little bit. My show I believe is at 5:30 so good timing.

Q. Go-to taco tonight?

ADRIEN DUMONT DE CHASSART: Go-to taco. The last two days I've been going with ribeye taco; the chicken's not bad either. I try to be careful of the food out here and tacos have been good on my stomach, so I think it'll be tacos every night.
