ROUND 3 QUICK QUOTES
November 1, 2026

DARREN FICHARDT (-22)

Q. It was a privilege to watch that. You stood toe to toe with Zach Johnson, one of the best. Eagled the last hole for your first PGA Tour Champions win. Tell me all about it.

DARREN FICHARDT: Yeah, that's something fairytales are written about. You know, one of my main concerns was to get into the Playoffs and through nine holes I saw I had a bit of a gap, so just tried to free up a little bit and start making a few birdies and maybe have a chance at winning.

Yeah, the putter, I'm going to stick with that putter. That putter was unbelievable this week. Ball-striking wasn't that great with the irons, but the putting was amazing. That wins tournaments.

Q. The tee shot you hit at 17 had to be something special.

DARREN FICHARDT: Yeah, definitely 17 was -- I actually took the 7-wood out last night and I put the 3-iron in. Glad I did because that back pin was perfect for a 3-iron, and then hit a good putt.

Q. What does this win mean for Darren Fichardt?

DARREN FICHARDT: It means so much. It's always -- I won a lot around the world, but to win here on this tour, win my first one, I said to my wife walking down the last, I said this is it, this is the start of our senior journey now, now we can get going.

Q. Very, very special to have her on the bag I would imagine?

DARREN FICHARDT: Oh, I mean, we're best friends and to have her on the bag, it's amazing.
