VIDANTAWORLD
MEXICO OPEN

KRISTOFFER VENTURA (-20)

Q. Bogey-free 63, what did you like about your final round and what are you going to take going into next week?

KRISTOFFER VENTURA: Yeah, I just stayed really patient out there. I hit the ball great. I don't think I missed very many shots today, and I made all the putts that I needed to make. I think it was important for me to get a result. I've been staying patient and been close to having some really good weeks, but this week in particular the putts dropped and I stayed really calm at the end.

Q. And we're coming down to the final four weeks, so how great is it to have this week under your belt but making a push for these final three weeks to get in the top-100?

KRISTOFFER VENTURA: Yeah, I think honestly I stopped chasing the rankings; I kind of got tired of always looking at the leaderboard and the projected points. If that helped me I would have done it a lot more, but I made peace with maybe not keeping my card this year. I just said I'm going to do my process and if I fall short, I fall short, but at least I'm going to do my very best so that I can fall asleep content at the end of the day.
